PREMIUM FINISHES

Hand-Applied Stains

Available in select species, this collection of unique finishes gives homes an authentic, rustic look. The character grade appearances from our Premium finishes are as beautiful as the essence it captures.

Hand-Rubbed Glazing

Glazing is the process of hand-applying a finish that is meant to mimic the natural aging of a cabinet, molding, or accessory. This hand-applied finish will give the impression of the natural patina that would normally take years to occur.
